### ADDENDUM 4

#### **Bid No. 2014-03 Bogue Brook Reservoir Dam Rehabilitation**

#### **Questions from Potential Bidders with Answers (refer to Addendum 3 for Questions 1 to 14):**

**Question 15:** Could you please provide the engineers estimate for this project?

**Answer:** The opinion of probable construction costs for this project is approximately \$3.1 million.

**Question 16:** Could you provide the contract duration for this project and the associated liquidated damages that would be assessed, if that date is not met?

**Answer:** The maximum contract duration is 24 months and the liquidated damages rate is \$1,000 per day.

**Question 17:** The notes on plan C-1 call out for the use of two complete, separate, continuous, redundant, discharge systems for the control of the surface waters. The plan only shows one discharge location through the existing dam. Where would the second redundant water control system be allow to penetrant the existing dam?

**Answer:** Please refer to Specification Section 01565, Part A, Articles 1.01.F and 1.01.G.

**END ADDENDUM 4**
