

LEGAL NOTICE
City Of New London
Request for Qualifications

LEGAL NOTICE: The City of New London is seeking to engage the services of a Consulting Engineering firm to provide engineering services for the preparation of contract plans and documents for the following transportation project:

State Project No. 94-258: Williams Street Improvement Project

This project seeks to connect the Town of Waterford with the City of New London via a continuous sidewalk and a shared bike lane network on Williams Street running from the Quaker Hill neighborhood in the north, through Connecticut College where new sidewalks are proposed, to Briggs Street. In addition to this regional pedestrian and bicycle connection, this project will calm traffic on Williams Street via raised roadway elements in order to provide a safer route to bike and walk to schools. This project will link multiple transportation modes, specifically, new bike and walkways from the Waterford town line will provide access to bus lines located at Connecticut College and Hodges Square.

The Consulting Engineering firm selected may also be required to provide survey, prepare environmental documents and perform construction inspection. The projected construction cost is expected to be in the range of \$762,000.

Firms responding to this request should be of adequate size and sufficiently staffed to perform the assignment described above.

The Consulting Engineering firm will be evaluated and selected based on design and technical competence, the capacity and capability to perform the work within the time allotted, past record of performance, and knowledge of Federal, State, and Municipal procedures, appropriately weighted in descending order of importance.

The design fee will be negotiated on a Lump Sum basis.

The Disadvantaged Business Enterprise (DBE) sub consultant goal will be no less than five Percent (5 %) of the original agreement value.

The selected firm must meet all Municipal, State, and Federal affirmative action and equal employment opportunity practices.

A letter of interest, together with general information on the firm and proposed sub consultants, the firm's brochure, current Federal Form SF330, experience of the firms, and resumes of key personnel shall be addressed to:

Dedra Aker; Purchasing Agent
City of New London,
13 Masonic Street
New London, CT 06320

Additionally, all interested firms must submit a detailed statement including the organizational structure under which the firm proposes to conduct business. Proposed sub consultants should be clearly identified. The relationship to any "parent" firm or subsidiary firm, with any of the parties concerned, must be clearly defined.

Personnel in responsible charge of the projects will be required to possess and maintain a valid Connecticut Professional Engineer's License. All letters of interest must be postmarked by a U.S. Post Office (if mailed) or brought to Dedra Aker, City of New London, 13 Masonic Street, New London, CT 06320, at the above address (if hand delivered) no later than **2:00pm on Monday, December 11th 2017**, Responses received or postmarked after this date will not be considered.

Copies of the Request for Qualifications: RFQ No. 2018-1 State Project No. 94-258: Williams Street Improvement Project may be downloaded from the following websites:
